

## nab 150 on the road

The NAB 150 Tour was an Australia-wide event commemorating the bank's 150th anniversary. The 7-axle truck and support vehicles visited over 110 regional towns and cities over 8 months in 2008.

Cultural Connotations curated and developed the heritage exhibition displayed inside the truck. Its content recognises the important role which banking has played in the development of this country. All of the objects and images are sourced from nab's rich heritage and archival collections.

cultural connotations was engaged to

- curate the exhibition
- prepare the exhibition for tour
- coordinate the exhibition design team

venues

You can follow the road train's journey across Australia by logging onto <http://www.nab.150.com.au> and then going to nab 150 tour.

Better yet, why not visit the exhibition when it comes to your town.
